

Status

Finished all strand reports for LA and math - they're all online. ✓

The math scores are broken up on to 2 different reports since there are so many of them. ✓

Both math reports are designed to print on legal paper.

Bold red font has been implemented on all of the strand reports to draw attention to strands not meeting goals.

All available reports have been added to the interface

↓ Print on 8 1/2 x 11 ?

Score < 4 ? ↙

School/District Reports

Snags different scores in different test grades etc

Specifics what are we looking for?

Specifics needed on "subgroups"
